Frank Whitworth
Ground Zero

Dear Frank,

PFLAG is happy to announce that it finally is in a position to start a support group for straight ex-spouses of lesbian/gay partners. It has always been of great concern to PFLAG that straight ex-spouses were suddenly faced with enormous emotional turmoil even when they understood on a cognitive level. We now have a well qualified, wonderful human being who has worked with ex-spouses for the last 3 years in the Mid-west. For further information call Gerda Fletcher at 596-1130.
